

The Emergency Response USA

Affiliate Program helps healthcare providers, resellers and online marketers to provide patient and their family's peace of mind to the growing senior population while adding a new revenue stream.

Our account managers are dedicated to working with our affiliates to make sure that they have all of the marketing materials and technical support needed for a successful program.

No Capital Investment:

While some medical alert programs require you to purchase medical alert equipment, with Emergency Response USA, you never have to pay for it. Emergency Response USA will provide the medical alert equipment at no cost to you, allowing you to earn a profit with your very first client.

Generous Royalty Structure:

Emergency Response USA wants you to profit from the growing medical alert market. We will work with you to determine a Royalty structure that works best for your agency.

Comprehensive (PERS) Personal Emergency Response System Packages:

Emergency Response USA is a leader in medical alert systems. We can offer your customers and clients 24/7 help at the push of a button with no long term contracts and the ability to cancel at any time.

Medication Management Systems:

Emergency Response USA's Medication management system is easy to set up and simple to use and has a full and detailed reports package. Our medication management system provides peace of mind that medications are being taken in a timely manner, email and telephone reminders are included.

Flexible Branding Options:

Emergency Response USA works with partners to determine the best branding option for them.

Complete Fulfillment Services:

Emergency Response USA tests, packages and ships all medical alert devices directly from our owned and operated distribution facility. Devices can be sent to your location or directly to the customer.

Options include:

- Emergency Response USA: Sell Emergency Response USA branded medical alert directly to your customers and clients.
- Restricted Brand Private Label: Take advantage of our in-house restricted brand private label option.
- Affiliates Own Private Label: Sell our leading medical alert service under your existing brand.

Life Safety Monitoring Since 1972:

With Emergency Response USA, you are getting a management team with more than 100 years of combined experience in life safety monitoring.

Our Own UL Listed Monitoring Center:

Emergency Response USA owns and operates a UL Listed, Five Diamond Certified monitoring center and all care specialists are Emergency Response USA employees. Unlike other medical alert companies that out-source their monitoring, Emergency Response USA can ensure the highest quality monitoring for your customers and clients.

Dedicated Account Manager:

The Emergency Response USA affiliate support team is committed to your success. Our account managers are dedicated to working with existing partners to make sure that they have all of the marketing and support needed for a successful program.

Medicaid and Long Term Care Programs:

In addition to a private pay option, Emergency Response USA is Medicaid approved in most states and recognized by most Long Term Care providers.
